

EXCLUSIVE RESEARCH

from the

TELECOM LEADER

Now, with Two Ways to Buy!

Telephony's Executive Insider gives you exclusive access to the inside information the rest of the industry is searching for. Powered by deep expert analysis from Altman Vilandrie & Co., the Insider provides unique survey results and analysis of *Telephony's* vast subscriber audience and telco customers. Now, we're offering two ways to purchase...by individual report or yearly subscription!

Each report focuses on a different market segment and includes stats on competitive service landscape, service provider challenges and deployments, plus unique insight into highly lucrative opportunities to help you evolve your network and generate new revenues!

Now Available:

- Revenue Opportunities for the Downturn (Feb.)
- Small Business Service (Apr.)

*PLUS, Coming in 2009...

- Managed Enterprise Services
- Broadband Wireless Services
- Video to the Home
- Telco 2.0 Services

*Editorial content subject to change.

TWO WAYS TO BUY:

Individual Report
